New age, laid back blues with digital and electronic enhancement featuring one of the best young guitarists for 2006. 12 MP3 Songs BLUES: Mellow Blues, NEW AGE: New Age Details: This album features Tim Lanzhammer (timmer dan) One of the BEST young guitar players for 2006. We have utilized thousands of dollars in electronics to bring a NEW modern sound to the music industry. Basically, two guys on gitfiddles surrounded by a sea of footpedals, etc. trying to show each other up The last two record companys didn't know what genre to give it. We call it New Age Blues (for now) The STUDIO IS CALLING to see when we can come back (they obviously liked what they heard)....we had them TAPPIN' THEIR TOES.... (a good sign considering they're bombarded with tons of music) IF you're looking for SOME GOOD GUITAR PLAYING and something different, THIS IS IT! The first song "the dolphins" is about two dolphins that are cruising the blue sea and suddenly decide to go for a romp (dolphin drag race)... or two guitar players out for a romp? If you listen real close, you might smile.......
