Contemplate the sacrifice God made for us through the passion and death of Jesus, His Son. 8 MP3 Songs FOLK: Gentle, GOSPEL: Contemporary Gospel Details: Who would have predicted that this album would be such a hot seller? This is not your typical praise and worship album! A meditation on the wounds of Jesus has been on my mind for well over a year. Grounded in my own walk to the Cross, God led me to the prayer as He was composing the songs in my heart and through my life-experience. Sit in a quiet place and listen with your heart. Let it focus your mind and life on God. Commit to share the love and mercy of God with others. Take some time to offer yourself to Jesus, to help Him carry the cross as did Simon, or just humble yourself before the God-man who gave His Life for your Salvation. In the end, be thankful. Be thankful that we serve a God who wants nothing more than to share His Eternal Life with us - a God who will do everything He can to help us surrender to Him and say, "Yes, Lord".
