"Country Blues With Attitude," delivered by the forceful, full, rich sound of an artist that "FEELS" the emotion of every word. Missouri Jennings is definitely not the "Barbie Doll Replica" of the current Nashville scene. 10 MP3 Songs COUNTRY: Modern Country, BLUES: Rockin' Blues Details: In June of 2003, the brazen and bold Ms. Jennings had her signature album produced in Nashville by actor/songwriter Bob Dellaposta. This carefully selected collection of songs exemplifies Missouri's unique style and beliefs that today's women are stronger and men are more sensitive and romantic than ever before. Raised in the south, Missouri's love for blues and country coupled with her Native American Heritage is apparent in the sensual, driven, and attitude filled delivery of each song. From the rhythmic drums and bass to the bluesy lead guitar and keyboard, the music arrangements power the emotion delivered by the full, rich force of Missouri's lyrics. Since its release in July of last year, this album has produced consistent radio airplay in Europe and in Australia and is now gaining airplay in the USA. After only one week of airplay in Europe, Missouri made the the "Most Played Major Indie Artists Chart" for July and three consecutive months after. Missouri's cd has once again made cd of the week in Belgium. Radio DJ's comments include: "This CD is magnificent," states Cor LaPonder from RadioFrequent in Holland. "Missouri Jennings has it all, great songs, the voice, and to top it off, the looks...a winning combo," Big Al Watts, Australia DJ. Eddie Russell from Radio Show Country Eastern West in Columbus, Texas states "...a distinct and powerful voice that Nashville should take notice of." If you are looking for a whimpy Boo-Hoo, cry in your beer sort of album..... This is NOT for you!!!
