

Mp3 Nomadiqa - Sans Frontières

[DOWNLOAD HERE](#)

A kaleidoscope of musical civilizations where Western electronica meets the Orient. 9 MP3 Songs
WORLD: Middle East, ELECTRONIC: Ambient Details: Started by Max MacLeod in 2001, Nomadiqa is a studio project bringing together musicians from France, Scotland, and Spain. Kemal Okan joined the band in 2003, bringing his talents in electronic music production. Kemal had started his career DJ'ing in the underground techno scene of Glasgow in 1994, moving into Drum and Bass and studio production in 1997 After recording for a number of labels including "Moving Shadow" and "Timeless", whilst DJ'ing many of the world's top clubs he went on to found "Cryptic Audio". Progressively he moved away from the electronic scene and began to find inspiration in the diversity of the World music genre.
