A unique contemporary instrumental collection of inspired music using 17 different instruments performed by 9 musicians encompassing many styles of music. 16 MP3 Songs EASY LISTENING: Soft Rock, POP: Delicate Details: This 16 song instrumental CD is a collaboration of two artists, Mark Gutierrez and Roy Scoutz. Mark, from Michigan who wrote 10 of the songs and co-wrote 4 with Roy was spiritually inspired to create music that attempts to define "Heaven and Earth". Roy, originally from San Francisco, wrote 3 of the songs, and brilliantly arranged every selection playing electric, acoustic and classical guitars, electric piano, bass, baritone bass and percussion. 7 additional artists were brought in the recording studio to include violin, viola, bass, percussion, trumpet, flugelhorn and vocal leaving no musical stone unturned. This 72 minutes of music has influences from jazz, blues, bluegrass, latin and classical and has been written and performed to take you to a unique place suggested by each song title.
