

## Mp3 Scott Hollis - Higher Ground

[DOWNLOAD HERE](#)

High - energy, uplifting contemporary Christian themed Rock,Funk and Gospel bringing an updated and personal musical perspective to worship. 9 MP3 Songs GOSPEL: Contemporary Gospel, ROCK: Funk Rock Details: Singer/Songwriter Scott Hollis began his musical journey as a trumpet player,studing at the Berkeley School Of Music through the mid 1970's.After college , Scott toured throughout North America. After marring, Scott took a 20 - year hiatus from music to raise his two children. Participating in his church choir, Scott rediscovered the joy of songwriting and soon began to write, study and record regularly. His deut album , Higher Ground,which features Scott as a pianist and lead vocalist, is a collection of original Christian themed music, recorded at Musicians Development Institute in Plymouth, Mass.This high energy album bridges a wide array of musical styles from pop to funk,rock to gospel and was developed by Scott with the personal goal of bringing an updated perspective to contemporary Christianity.
