The Blue Umbrellas is a melodic rock band with a warm harmony-driven style, yet with thrilling hyperkinetic live shows. 11 MP3 Songs ROCK: Folk Rock, FOLK: like Ani Details: Their name came like an epiphany when the four women were sitting under a blue umbrella on a beautiful, sunny Kentucky Derby Day. One of them looked up and said, "How about The Blue Umbrellas?" The formation was complete. These women are distinctive, full of life and vigor. As smooth as Kentucky bourbon, The Blue Umbrellas is a melodic rock band with a warm harmony-driven style, yet with thrilling hyperkinetic live shows. Mixing colorful musical styles, they channel together metro folk to rural rock to playful pop. It is impossible to just hear The Blue Umbrellas . . . you have to experience them. The music they play has traveled a long way and has been through as many changes as they have. The Blue Umbrellas have evolved like a stream to a river. All of their influences have run together: Kelly from country, Gloria from classical, Rhonda from 80's rock, and Stephanie from folk. All of these styles combined to create the distinct sound of their music. It is like no other. January of 2003 was the mark of their first 4-song EP CD self-titled "The Blue Umbrellas". It captures rock with an ambience soul backed by driving riffs. The definitive CD is a compilation of four songs purposefully put together to show the diversity of their music. This EP CD is currently sold out. March 2004 brings the first full-length CD release titled "Metamorphose". It is a product of growth for The Blue Umbrellas produced by Peter Rhee. On this versatile collection, you will find the rockin' energy of the 'brellas along with some chest ripping ballads. This 12 song CD will be available at shows, online and at local CD stores. The Blue Umbrellas have created a strong following in the Louisville, Kentucky area and are starting to tour regionally and up to the east coast. They are networking with nationally known artists such as Antigone Rising, Alison Pipitone, Jen Foster and Katie Reider to name a few and are on their way to national recognition themselves.
