

Mp3 The White Line - Orindenki

[DOWNLOAD HERE](#)

Strong melodic ambient electronic music that will inspire you and relax you. 10 MP3 Songs

ELECTRONIC: Ambient, ELECTRONIC: Down Tempo Details: My first album, Orin-denki. The name comes from an amalgamation of original and denki, the Japanese word for electricity. Recorded entirely in software between November 04 and May 05, using a minimalist home studio, Orin-denki travels back to my early electronic influences, a mix of ambient landscapes, infused with progressive techno.
