This music spans several musical styles from pop to country and maybe even one that could be easy listening. 8 MP3 Songs COUNTRY: Country Rock, POP: 60's Pop Details: TJ Walsh has been entertaining crowds for over 30 years. His musical career began with one high school garage band that rapidly grew to regional fame and continues today as the main featured soloist at Jimmy Buffett's Margaritaville in Myrtle Beach, SC. His first CD in many years "Margarita Island" was met with critical acclaim in Europe as well as here in the U.S. The single from that CD was released by Ripete Records and was nominated for the coveted Cammy Award in 2002. This new venture is a CD filled with original songs that have a flavor that takes you back to simpler days. From the tongue in cheek "Warning" to an ethereal waltz through the old south in "Old Plantations" he has hit once again on a winning combination. TJ can be seen live at Margaritaville in Myrtle Beach with 189 dates booked already for 2005 and he is looking forward to working the Las Vegas Margaritaville in 2006.
