

Mp3 Too Hip For The Room - Three Brothers

[DOWNLOAD HERE](#)

Guitar, bass, and hand-played electronic Zendrum join with intelligent, fun, and usually pretty sarcastic lyrics in songs about people, the world, Moses, and Pokemon. 16 MP3 Songs POP: Quirky, ROCK: Acoustic Details: Think of everything you hate about Top 40 radio, and that's what Too Hip For The Room doesn't sound like. Ben Stein loves them. Blue Oyster Cult, Folk legend Tom Paxton, and science fiction author John Shirley are fans. You should be next. They sing about Keanu Reeves, waitresses, Paul McCartney, juggling monkeys, Leonardo DiCaprio, Robert Mapplethorpe's "artwork," and doing things with kittens that should probably be kept private, and Pokemon's Nazi roots. They tell stories of soldiers, musicians, police officers, and stalkers. And they rock. Too Hip For The Room is a three-piece band featuring: Tony DeStefano on vocals and guitar Paul DeStefano on Electric Zendrum and vocals Eric Williams on bass and vocals
