

## Mp3 Twinsoul - Ojalá

[DOWNLOAD HERE](#)

This Exquisite album brings you a combination of the original sounds of the typical music from Puerto Rico derivate from the African roots, blending this sound with the current dance music it's what makes the particular sound of TwinSoul. 14 MP3 Songs LATIN: Latin Pop, LATIN: Rock en Espanol Details: Yvonne and Lisa are twin sisters from Puerto Rico who have always enjoyed playing the percussions and singing since they were five years old; this is why they have always incorporated these extraordinary instruments and voices into their music. They played in many different places and cities around the world with many different musicians and deejays adding their Latin flavor to all the known music styles .having great response from the audience and captivating with their unique style and image. Their music is a combination of the original sounds of the typical music from Puerto Rico derivate from the African roots, blending this sound with the current dance music it's what makes the particular sound of TwinSoul. Yvonne y Lisa son hermanas gemelas de Puerto Rico. Su msica es una combinacin de sonidos, mezclando un poco la msica tpica de Puerto Rico, las races africanas y la riqueza musical de Latinoamrica es lo que hace el sonido particular de TwinSoul. Sus Shows en vivos estn repletos de energia siendo gemelas tan interesante exposicin visual, Adems de incluir la percusin instrumento que dominan e incluyen en vivo en cada una de sus presentaciones motivando a las personas e interactuando haciendo de cada Show una inmensa Fiesta que nadie debe perder. en un momento donde la Msica Latina esta en pleno auge TwinSoul se afirma como una promesa refrescante la cual con sus letras, melodas y ritmos pegadizos logran una gran aceptacin tanto entre los DJ's como as tambien el publico en general. De seguro ser todo un xito.
