

Mp3 Two Tru - Among The Ruins

[DOWNLOAD HERE](#)

Intelligent, life affirming, art rock. 9 MP3 Songs POP: Beatles-pop, ROCK: Folk Rock Details: Among The Ruins 1989 "Being on top of every aspect of your music takes a lot of time energy, but doing it right also helps you keep artistic vision intact...Their music is beautiful, well crafted, thoughtful, life affirming and on the folksy side, not to mention very professionally recorded and packaged." - Datman/Home Studio Recording Magazine "You did a lot of work, nice job, very personal stuff... a lot of ingenuity and awareness for recording and packaging." - Jay Mark Engineer/Producer "Smooth, soothing, simple yet mystical vocals open up this trinket box of music by Two Tru. These vocals are backed by equal balance-simple, clean, calming and complimentary in the vein of acoustic, jazz, folk pop...These women paint an enchanting picture of songs- done intricately, intelligently and poetically... a well done, professional, and enjoyable recording by an evidently serious talented duo. Debbie Catalano - New England Performer Magazine "I love the vocals and the way the songs come across... a lot of appeal and emotion." - Jeff Kawalek Engineer/Producer "You definitely have something to offer." - Alan "Blaze" Blazek Engineer/Producer 1994 Among The Ruins is voted best inde release from the U.S. on syndicated, European Radio by the DX Radio Network
