HIP HOP/RAP: Hip Hop, ROCK: Classic Rock Details: Public Sound Factory - a base for new and also experienced Bands from northern part of germany - has made "Sounds United Vol.1". A compilation with 17 bands and their songs. The range contents all modern music genres. We have Hip Hop, Rap, Punk, Nu metall, melodic death metal, hardrock, rockballades, synthipop, crossover, classic rock as well as germanrock and pop. The quality of the sound is very professionell done by wonderlandstudio and its "soundwizzard" Gtz Kretschmann. We have new bands like Broken County (Heiss wie die Sonne), Pan!k (a very young band which have won already a couple of contests!)Son of Tomorrow (with a very charism leadvocal guy), .point and also experienced bands like B.G.T., Human Debris (both on melodic death metal), RattleSnake (the most popular band in our region), Right Fact (crossover in perfection), Bats in the belfry, The Colours etc. Listen to the sounds in german and english. Take part of this uncoventionally mix of all genres. It was an adventure to release such a kind of compilation. Have fun with it!
