

Mp3 Yuval Ron - In Between The Heartbeat

[DOWNLOAD HERE](#)

Contemporary elctro-accoustic experimental ambient music for movement and sound meditation 8 MP3 Songs CLASSICAL: Contemporary, ELECTRONIC: Ambient Details: IN BETWEEN THE HEARTBEAT CD Reviews: "As far as pure ambience goes Yuval Ron is a master. Great record, highly recommended for all ambient orchestration lovers. " COMPUSERVE's Underground Sound 'The range of moods, techniques, components Ron has used to create this darkly ambient album are brilliantly handled...Highly recommended." Jeremy Keens - Ambience Publishing "What an excellent slice of composition..." Manifold Reviews Yuval Ron....delivering a damn fine CD...The lovers of the genre should check it out." Frans de Waard -Vital Weekly "...a whole other landscape..." Lewis Segal - Los Angeles Times ...one appreciative thumb up..." AmbiEntrance Reviewsshould please those who are looking for something less accessible and more daring." Eric Prindle - Ujamaa's Ambient Experience "Spatial in construction and mood, perfect for exploring those hidden vistas in your own psyche." Carpe Noctem "...an artful exercise in sound construction ..." Backroads Music
