

Mp3 Zerone - Ultra Zone

[DOWNLOAD HERE](#)

A collection of short but serious improvised soundscapes denoting other times and places. 10 MP3 Songs
ELECTRONIC: Experimental, ELECTRONIC: Soundscapes Details: Electronic music producer Jim Konen (aka visionEar,EM,ORFN) releases "Ultrazone" (White Robot). This "electronic guitarist" known for his eclectic electronica releases "Ultrazone", his deepest set yet. A collection of short but serious improvised soundscapes denoting other time and places. Many of the textures in this experiment are derived from several "looping devices" which capture bits of sound the artist then uses to improvise on, often leading to musical event's that take on a "mind of their own" but, can be sculpted and manipulated by it's creator.
