Here are some of the reasons why your dog will act out: Your dog is not used to being separated from you for a period of time; * There is a lack of communication between you and your dog; * You are not reinforcing commands that your dog needs to obey; * You are not consistent with making your dog change their bad behavior patterns; * You are allowing others to do the opposite of how you are trying to train your dog. There is a Solution... (Audio MP3 Included) With "Training Your Dog", you as a dog owner will be able to do more for your dog in terms of getting them to do what you need them to do. They need to learn to be obedient and do whatever you say, within reason. They need to understand that you are the dog owner and that they are to respect you as such. They need to get the message that disobedience will no longer be the norm in your household. Its better to start training them when they are still a puppy. Its also easier to start when they are still young. The longer you wait, the more difficult it will be to get them to comply to your demands. Dogs are like children. You have to teach them what they need to do. When they do it wrong, you have to discipline and correct them to do it the right way. You need to communicate to your dog what behavior is acceptable and what behavior is off limits. They need

to know where you stand in everything. You have to be consistent and make sure that they know you mean business. In this report, you will discover: * The importance of getting rid of your dogs bad behaviors * Why biting should be stopped when your dog is still a puppy * How howling, whining and barking can be nerve wrecking and what you can do about it * What you can do about your dogs chewing problems * Why your dog jumping on other people can pose a problem and what you can do about it * And much more! This guide will list some of the most common behavioral problems that your dog may be dealing with. You will also deal with some of the proven ways that you can get your dog to change their ways. Using this resource can be very beneficial and valuable for you as your dog continues to grow. Get this guide today
