Coupon Code Generator To Make Your Discount Coupon Codes Viral Coupon Buzz is a simple desktop application that will guide you through the process of creating professional coupon codes step-by-step. By providing your subscribers/customers with a discount using the coupon codes you provide them with to be used on your sales page, you can instantly increase your customer loyalty and also help entice new visitors to purchase. That will certainly drive your sales up the roof! Here's What This Amazing Software Does: Creates unlimited coupon codes and discounted order pages just by following some step-by-step instructions (if you know how to click the mouse and follow instructions, you can use this software!) Set your promo codes to be self-expiring by a certain specific date (this creates a sense of urgency and scarcity for your prospects to take action immediately!) Ability to create one-time-use online coupon codes (so the coupon codes does not get abused!) Create special offers for your customers, JV partners, and affiliates (and boost your customers' loyalty greatly and keep everyone happy!) View all your coupon statistics conveniently. You can track exactly how many times each of your coupon code has been used... (so you can create multiple codes and track which ones were the most effective!)
