Attention: Public speaking plays a vital role in most people's success. "Who Else Wants to Dazzle and Influence Any Audience with Super Impressive Speeches by Having Supreme Confidence and Masterful Public Speaking Skills?" Picture this. You are invited to speak in front of a large audience. As you walk to the stage, you feel an overwhelming sense of confidence and mastery over the subject you'll be discussing. The people look at you as if they are very eager and interested to hear what you are about to say. As you started speaking, you notice that all the listeners are leaning forward. They are all smiling and nodding their heads, as if signaling their approval in your ideas. You feel more and more enthusiastic as your speech goes on. As the speech comes to an end, you are cheered with a standing ovation from the audience. You hear some of them saying, "Great job!" You can tell from the many faces that they want to hear more. It's an enjoyable experience for both the audience and you. Then you wake up. You can't believe it's just a dream. "If only it's true," you say in disappointment, "but that ain't happening to me." Stop wishing and whining! Let's turn that public speaking dream of yours into reality, right here, right now! From [Your Name] Dear Future Public Speaking Superstar, Have you ever delivered a speech or presentation before? Most probably you have. So how did it go? Have you encountered any of the following while delivering it? You have uncontrollable butterflies in the stomach. Your stuttering voice is

making it difficult for you to speak clearly. You're sweating all over. Your listeners are yawning their way to dreamland and pouting their lips. You feel so conscious with your audience's reaction that you can't focus on your speech. Be desperate no more! If your career is sluggish due to public speaking hindrances, kiss your worries good bye! Now, you can start re-building your dreams and ascension to company hierarchy by this gem of a book designed to help especially the timid novices of public speaking and turn them into ace public speakers! According to a recent survey, more people are afraid of public speaking than they are of dying. Now you can become the best public speaker you could ever be. How to be a Public Speaking Superstar will show you how to get that golden tongue which can draw out enthusiastic responses from the bottom of people's hearts and stimulate them to nod unreservedly to your discussion. This book is a condensed write-up of powerful principles and easy-to-follow steps to writing and delivering spectacular speeches. It will give you the crucial answers to such questions as "How do effective speakers really captivate their audience? How can they influence people by mere words? What can I do to be as successful as they are? How can I really conquer speech fright?" After reading this book, you will be able to: Overcome your fear of public speaking.
