

Million Dollar Deals 1-man Operation Joint Ventures - Mrr

[DOWNLOAD HERE](#)

Launch Your Products To Millions Of Hungry Customers Through Joint Venture Power! How do marketers pull half a million potential views for their products by working with ten or fifteen other marketers? Thats half a million targeted almost-guaranteed-to-be-interested,ready-to-buy viewers! Think what that would do for your business. DONE RIGHT, you dont even need to contact a single big name marketer to pull this off! This Audio E-book, will teach you HOW TO: FIND REAL JV PARTNERS! We all know that a couple of simple ads here and there to large, well built, targeted lists can shove thousands, even tens of thousands of dollars into your pocket per mailing. We will show you step by step, exactly how we go about securing no less than twenty of these large scale joint ventures every single time we launch a product with very little effort, while others having trouble securing even one. FIND AN ALMOST ENDLESS SUPPLY OF PROSPECTS! Overcome the hassles and ethical issues of having to cold call and drop in on prospects unannounced, only to be told they dont want to hear from you. There is a little known back door that we sneak through as you read this, pulling in scores of immensely profitable joint venture deals while the majority fight over the same 20 people. QUICKLY GET IN ON THE GROUND

FLOOR WITH BIG JOINT VENTURES EVEN IF ITS YOUR FIRST DAY MARKETING ONLINE.If you think you have nothing to offer in return for the circulation of your ad to tens of thousands of targeted buyers. You are wrong. Thankfully, only a few know about this powerful method, leaving you plenty of space to get in on this before the crowds start flocking to it. AVOID THE 12 MISTAKES OF THE JOINT VENTURE NEWBIE. I will show you the exact reasons joint venture newbies get denied over and over again when they could quite easily be circulating their products to many thousands! HOW TO KNOW BEFORE APPROACHING ANYONE WHETHER OR NOT THEY ARE GOING TO BE INTERESTED IN YOUR OFFER. Do not waste your time approaching people who have no interest in your deal. There are 7 easy methods that allow you to immediately know whether your prospect is going to accept you or not. HOW TO BUILD AND USE A POWERFUL INFORMATION NETWORK! The future is always bright for your business profits when you have a group of thirty or forty people with these valuable lists ready to promote for you on the launch of each of your products. Whats more, they are easy to find. Well show you exactly where. (Best of all this only takes ten minutes to do). Imagine the profits at having that type of promotion power at your disposal. Its all yours, right here. INCREASE YOUR ACCEPTANCE RATE BY 85--THERE ARE 5 SURE WAYS! Tailor your deal to your joint venture prospect and start seeing your ad sent to more of these hugely profitable targeted lists every single time you launch a new product. It is easy to hit the magic 85 mark if you have the right information. Well show you how to get it for free in a mere three minutes of your valuable time. SPOT WHAT YOUR POTENTIAL JV PARTNER WANTS FROM YOUR DEAL BEFORE YOU EVEN MEET! Imagine being able to present your prospect with everything they want as soon as you make your first contact. Your response rates and acceptance rates will go through the roof, not to mention they will start talking about you to their contacts - we all know how powerful word of mouth is. ENSURE THE JOINT VENTURES YOU MAKE TODAY WILL BE OPEN TO YOU EVERY SINGLE TIME YOU LAUNCH A NEW PRODUCT - THERE ARE TWO GREAT TECHNIQUES! Imagine just five separate joint ventures, each list containing 20,000+ hungry customers ready to buy your products. That is a real money maker, but it gets unimaginably profitable when you add another five of these lists every single time you launch a new product. Were doing that right now, as you read this, and well show you how. AVOID BUYING PRODUCTS THAT GIVE YOU THE TEMPORARY FIXES, INFORMATION THAT LASTS ONLY UNTIL SOMETHING NEW COMES ALONG. Learn the REAL whys of Joint Venturing. Its time to stop buying products that only tell you how to do stuff that

become useless when everything changes in a few months time. Its a waste of your time and money. This guide however will show you why everything works, benefiting you not just on the first read, but for life; allowing you to adapt to business situations that we all know change very rapidly. APPLY THE 2 JV APPROACH METHODS THAT ALMOST GUARANTEE YOU WILL BE SEEN. Being noticed instead of thrown in the trash on first contact could mean the difference between 30,000 circulation for the launch of your products, and going home with nothing. Picture the sales of your products if you successfully made just ten of these deals. SEE HOW YOUR OFFER LOOKS FROM YOUR PERSPECTIVE JVS PERSPECTIVE BEFORE YOU CONTACT THEM. If you know what they want before you contact them, not only are they going to wonder how you managed it, but they are going to sit up and listen. This will increase your chances of an all important sealed deal. KNOW IF YOU ARE GOING TO BE ACCEPTED BEFORE YOU MAKE THE FIRST CONTACT - THERE ARE 5 SURE WAYS! Most marketers I meet are wasting time trying to complete joint venture deals with specific people at specific times. Are you? Show me the deal, show me the target, and I can tell you within 2 minutes with a 95 rate of accuracy whether you will get a yes, or a no. I will show you exactly how I do this, and how you can put it to good use too. SPOT THE BEST MOMENT TO SEND YOUR JOINT VENTURE PROSPECT AN OFFER! There is a time and a place for everything. JVs are no exception. Did you know, there are specific signals that you are receiving from your potential prospects that should immediately tell you the best time to approach them. This maximizes your chances of success. Can you see these signals? If not, Ill point them out to you so that you can start taking advantage of them right away. AVOID RUINING YOUR CHANCES OF ACCEPTANCE WHEN INCLUDING YOUR PRODUCT AS PART OF A JV DEAL. 9 out of 10 JV offers I receive include products and services that mean nothing to me. This also means instant denial. Ill show you how to avoid this with some quick and smart thinking. USE ONE SNEAKY, LITTLE TRICK THAT WILL GET YOUR JOINT VENTURE PROSPECTS TALKING ABOUT YOU, EVEN IF THEY REFUSE YOUR DEAL! Think about it. If your prospect has lists or resources reaching into the multiple thousands, its highly likely their contacts will too. Its easy to get your name spread through word of mouth when you know how. Well show you how. USE FULL START-TO-FINISH, TRIED-AND-TESTED, JOINT VENTURE TEMPLATES! Proven methods of the successful joint venture - from your introduction and getting noticed, to your follow-up and securing your future and everything in between. We have done it hundreds of times, and to save you the hassle, the expense and the let downs of trial and error, were going to show

you what works, and what does not right off the bat. P.S. Everything you are about to read is tried and tested material. This will apply to your business not just once, but for many years to come. Its an investment not just for today, but far into the future.
