southern rhythm praise gospel 14 MP3 Songs GOSPEL: Contemporary Gospel, URBAN/R&B: Soul
Details: Al Boyd is a born and raised southern boy at heart. He began singing at age 2-1/2 years old. At an early age, Al began singing and playing in his church where his father was the Pastor. At age 19, Al joined the group NPhase, and is still a member today at age 34. It would be hard (and somewhat insulting) to try to pin an artist like this to one particular genre of music. Al has been influenced by so many genres of music, as well as a vast variety of singers, songwriters, and musicians, that it has formed his style into a musical spiritual "gumbo". Just sitting back and listening to this artist, is a journey into his soul.
