[DOWNLOAD HERE](#)

Catchy tunes and rhythms in fun-filled folk, jazz, reggae, pop, rock and world music offering positive messages about cooperation, playing together, loving our world and its people. 14 MP3 Songs  
KIDS/FAMILY: General Children's Music, WORLD: World Fusion Details: Audrey Borschels Freely Harmonize is great to play in the car and at home. Its fun for kids and the adults who are with them. With catchy tunes and rhythms, Freely Harmonize keeps everyones attention because of its variety. Folk, reggae, jazz, pop, rock and world music styles are represented. There are songs and games from Africam Australia, Canada and Brazil. Audreys contributed 9 original songs from her many shows for kids. Theyre all played by 7 outstanding musicians. Just enjoying the songs provides great entertainment, but there are also positive messages about cooperation, playing together, as well as loving our world and its people. All the words are included on the CD, so everyone can sing along. Vocalist Audrey Borschel has performed internationally for kids and adults with major orchestras, in opera and musicals, and with touring groups singing everything from classical to jazz to pop music. Audrey is a mom and a grandma to five preschoolers. Shes married to clarinetist Mike Borschel who is featured on the CD playing several instruments. Audrey is also an ordained minister who brings special positive insights about love and tolerance to her songs that she writes for the pleasure of all people. Quote from Gen X parents, Greg and Tina, Your CD saved our vacation!
