Melodic and detailed pop music, both listenable and danceable. 5 MP3 Songs POP: 70's Pop, ROCK: 70's Rock Details: Austin John is a Toronto-based band made up of some of the city's busiest new generation of jazz, pop, rock and session musicians. They distill a huge range of influences into music that is melodic and highly listenable, but full of subtle complexity. Their energetic debut EP showcases the songwriting talents of singer/guitarist Todd Elsliger. Todd's focus on originality has produced music that is quite different from anything you can hear on the radio today: intelligent, biting lyrics to songs with varied sounds and structures, and accomplished musicianship. This band's music is highly personal, and they hope you enjoy it. T-shirts can be purchased by directly contacting the band at austinjohnmusic@gmail.com.
