Outlaw Country Music 11 MP3 Songs COUNTRY: Traditional Country, COUNTRY: Country Rock Details:

This album is of great diversity and sound. Many different feelings are brought about from the various stories that Brant Vogel is telling on this 11 song journey through his life. I like to describe his work as Autobiographical in a way that may seem so exciting you cant wait to hear the next story. Have a listen and get ready to feel a little Rowdy after the album is played completely through. Its real country music in sound and story and is what the nation is waiting for to bring alive the dying outlaw country music sound.
