Homage to late 80s, early 90s hip hop with a 2007 spin, old school MPC beats from chopped up records, lyrical gymnastics and turntablism, featuring bluegrass banjo and keys from William Elliott Whitmore on track "Trees and Dirt". 6 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Rap Details: Hip Hop Connection International March, 2007 Single of the Month Though aligned with a clutch of backpack rappers and indie rockers, Des Moines farm kid Coolzey grabs the scratches/intelligent sideward lyricism steez by the lapels with a little more straightforwardness. Crucially, he also tolerates nothing below massively fun production. The first sign of potential greatness is the clarity within 'Mentality'; after professing daily disgust for mediocre rappers he drops the gem of advice "Take women fro instance: the minute that you stop sweatin' 'em/Man, you'll be gettin' 'em". For those not built like Fif', this man speaks the truth. Throw in help from cool-as-whisky-slugging bluegrass dude William Elliott Whitmore on the atmospheric epic "Trees and Dirt" and you're suddenly rolling so lovely. Tags: hip hop/rap: rap
