The sexiest blend of new and old school funk happenin in the south today. 16 MP3 Songs URBAN/R&B: Funk, URBAN/R&B: R&B Rap mix Details: MISSION: TO REMEDY THE DEPLETION OF PURE FUNK ON THE PLANET Funk Shop recording artists Entropy released their second full-length studio album Crawl on February 24, 2007. Twelve original compositions aimed to resurrect the pure, uncut funk back into todays culture of music. The music takes the listener through an individuals perspective of striving to find The Funk in todays world, from political/social commentary to changing concepts of love and the war between art and money. Inspired and influenced by James Brown, Parliament/Funkadelic, and Prince, Entropy is determined to bring back the funk into the national spotlight as a genre of its own as it once was. Crawl is the record that will bring it back to the people. Entropy will begin the Crawl Before You Walk Tour in March 2007 in support of Crawl, bringing back the funk to many of their fan base in the southeastern United States and beyond. In 2006, Entropy was voted Creative Loafings (Atlanta) Best R&B/Soul Act Readers Pick, an accolade that punctuates their rising popularity and reputation as a formidable recording and live funk ensemble. Crawl will not disappoint funk fans, new and olda new funk order is rising!!!
