Here is finally the glue between the old and the new world. Counter point mixed with Bossa Nova, the longing for a German Winter while baking in Rio De Janeiro or Steely Dan playing dices on a little boat down the Amazon. 10 MP3 Songs WORLD: World Beat, LATIN: Brazilian Jazz Details: It sounds like a gentle breeze under an alien sky with two moons to gaze at and an ocean full of surprises. Get ready for a ride into the depths of imagination and creation Hans Yorks German Debut album is carried by dynamic percussion and strong bass grooves while his warm tempered voice weaves beautiful melodies on top of rich unexpected harmonies. His German lyrics playfully act with metaphors of romantic longing and the full circle of life. Sensitive Ballads and swinging mid-tempo songs were influenced by a life changing time in Brazil's music mecca Rio de Janeiro. Pure community work and a master mind! Here are some of the best German musicians truly united under a single blue sky.
