Musical happiness in its purest form. 14 MP3 Songs POP: Today's Top 40, ROCK: Modern Rock Details: Jared McCammon is a songwriter/performer, who attends New York University and writes and records music weekly. He uses silly little recording equipment in his silly little dorm, creating silly little songs that you can silly little listen to! At the end of a cold, bitter day in the city, turn on the fireplace and snuggle up with the cozy tunes of Jared McCammon. After a hot afternoon in the desert, with the humid air engulfing you, take your shirt off and let the cool breeze of Jared's vocals calm your wits. After a boring day at the office, with your boss down your neck about that new client, spice up your banality with the crazy antics of Jared McCammon's new CD. Jared McCammon: a musical experience for all occasions.
