Hypnotic grooves, vista-like sound scapes, spiritual and atmospheric compositions 10 MP3 Songs
WORLD: World Fusion, EASY LISTENING: Mood Music Details: Hello, I've been a drummer/musician for 41 years. It has been my life, and my path. "Sundry" is composed of songs from my heart and my mind of early years. It was my dream to document my "music in my head" and in January 2004 I did just that. I composed, created, performed, recorded and mixed Sundry. This is it! Hope you like it! Randy Winters
