Drunk, witty, and bent Touching in a strange sort of way, like sitting grandpa's lap. True defiant American country folk with a shot of good ol fashion sick humor. 10 MP3 Songs in this album (36:52) ! Related styles: COUNTRY: Outlaw Country, FOLK: Political Folk People who are interested in Robbie Fulks Ray Stevens Jim White should consider this download. Details: Ray Johnson Band is back with the release of Steaks, the belated followup to their 2001 release Gone. Like the 7 year itch, but a year too late like the cicada, but not as noisy like a flashback to a dream of a memory of a flashback theyre back!
