Details: Todd Hallawell has received multiple awards as a guitarist, including the prestigious National Fingerpicking Guitar Championship in Winfield, Kansas, and the Southwest Regional Fingerstyle Guitar Championship in Tucson, Arizona. Todd returned to public performance after many years as a music producer and audio engineer for Soundset Recordings. He enjoys performing at festivals throughout the US and Europe and has become a regular performer at the Chet Atkins Appreciation Society (CAAS) in Nashville. Todds exceptional musical range has become well known throughout the music world and his compositions have been selected for both film and theatrical presentations. His CDs Before My Time and From Nashville Back have won critical acclaim: Quotes From Players: Mark Casstevens Here is a guy who manages to combine the best of several of my favorite players into a style all his own. And what tone! Todds unerring musical sense keeps your interest because his playing is above all musical. His crisp attack and solid rhythmic groove are always there ... the arrangements joyful and conversational. Its no wonder Todd is held in such high regard by the worlds top acoustic guitar soloists. Doyle Dykes "Todd Hallawell is one of the finest guitarists I've heard in years. His classically trained approach to the guitar, coupled with his own flawless techniques and arrangements make listening a pleasurable experience." Mason Williams ...an amazing guitarist John Knowles, cgp "I love Todd's playing. He gets a great sound out of the guitar and has a real drive in his performance." John Duarte "...Todd Hallawell is ebullient, full of enthusiasm and creative ideas. To hear him play is a joyous experience. He swings! Todd always has something worth while to say and he has the chops he needs to say it....." Quotes From Magazines: Andy Ellis / Guitar Player Magazine "...Hallawell attacks his steel-strings with the precision of John Williams and

punch of Jerry Reed...an extraordinary fingerpicker" Steve Klingaman / Minor 7th Hallawell is a player's player...With a seemingly effortless dexterity, he articulates notes as such, without the artifacts of effort...In short, he makes the competition sound clumsy. Jon Chappell / Frets Magazine What tone ... what sound ... what touch. Jim Ohlschmidt / Acoustic Guitar Magazine Todd Hallawells Cydney and Leola Kay are two of the loveliest guitar melodies Ive heard. Alan Fark, Minor 7th "Todd performs "a collection of bouncy, cookin' and feel-good fingerstyle tunes which will blow you over if you listen carefully. To the casual listener, Hallawell churns out these contagious melodies seemingly effortlessly. But the magic of his playing is in hearing difficult riffs flow off his fretboard as fluidly as water flows downstream" The Acoustic Scene "...Exceptional guitar playing. It is easy to see why he had the 1997 title of champion, because he has truly mastered his instrument..." toddhallawell.com
