

Mp3 Versatile Ministries - Welcome To Hatersville

[DOWNLOAD HERE](#)

Spiritual rap representin christ hating sin not the flesh 14 MP3 Songs HIP HOP/RAP: Spiritual Rap, GOSPEL: Contemporary Gospel Details: versatile ministries bio hello we are versatile ministries and welcome to hatersville. we were established in 1999 by brandonbobobrooks, briansnoopassmore, and dominicd-burbiouspassmore. we also had a group of young men up under us by the name of tha just; there names were joshuarightoushaley and kurtchristlikepointer. in 2002 bobo and snoop had went there own way; by way of college and the navy. in 2002 a new versatile was formed out of d-burbious, righteous, and christlike. we recorded a mix cd in 2003 with dj k-tron and went to several churches to ministry. in 2004 we were apart of a livingway production play called the front porch written by evelyn gail pointer. that year we also did some work and ministry with yahweh orphanage; and continued to minister at several churches. in 2005 we were in concert with several other gospel artists at a greenspoint outdoor festival.at the park. there was free food and activities for the kids. we continued to minister to the young and the old all over houston; and surrounding areas (goodrich, tx, lufkin, tx, texas city, tx, and missouri city, tx). in november of 05 the play the front porch was back and we had a whole new role and flavor. 2006 was a great year because we evoled as artists and in ministry. we recorded a new cd called in god we live-so respect our ministry with dj k-tron at nali pro studios; which was a 6 song cd. we hooked up with a dj at 1140 am that had our single im a hater in rotation. we also hooked up with a dj at 96.1 tha zone in achores homes; that also played our music and gave us live interviews. dominic a*k*a d-burbious changed his stage name to d-rev. he also became a licensed minister and established versatile ministries as a ligament business. righteous and christlike became members of the positive black male association; and in june versatile were the special guest at there fashion show that was hosted by rachi of 97.9 the box. we continued to minister at different churches as far as dallas, tx. in september of 06 we were apart

of an album release party hosted by mizta q in bryan, collegestation. our single im a hater was chosen to be on the holy hip hop cd mix tape which prompted our new album. we met a up and coming major producer by the name of lostbeatz. he recorded our new album and did half of the tracks on the cd. through him we linked up with the grind network started by doulos; a gospel rap artist who is based out of california. the grind network mixed and mastered our new cd and has linked us up with various connections. its now 2007 and the year for us is already on fire. weve already been invited to do a play in august and several churches throughout the year. february of 07 we will be having our own album release party/concert. the album is called welcome to hatersville and we are ready to minister at will. we have management now through livingway productions and we plan to tour in order to promote the word of god through our music. we will also have a feature interview in the christlyfe magazine. god is good all the time and allthe time god is good. versatile ministries will hate the sin and not the flesh because we are in love with our lord and saviour jesus christ!
