

# Harmonica Lesson/ The Fishing Blues(cool 1st Position Blues)

[DOWNLOAD HERE](#)

The Fishing Blues (in first position) This is a really great old tune made popular in the 1960s by Taj Mahal and The Lovin Spoonful. Ive arranged a fun version of it here in first position. If youre feeling less than inspired with the upper end of the harp or with your first position (blues) playing, then this is a video lesson youll want to get. Its a great workout for your upper register blow bends (not overblows) and incorporates some pretty cool licks up there. The video lesson comes complete with harmonica tablature and three play-a-long tracks at different tempos to practice along with. For ten bucks its a steal. 18 minutes long For more great harmonica lessons, please visit us at: [sandyweltmanmusic.com](http://sandyweltmanmusic.com)
