Disc DescriptionVocal loops -Hilarious laughter loops, that actually loop to the rhythm of the beat. The laughter of small children and the laughter of 'adult' children as well. These are not just any laughs only the tummy ticklers that sync to the beat are included. Also included is a folder (61 acid loops) of rhythmic dub laughs with tripped out FX on them- for Dance, Techno, Electro or any other electronic music genres. These acid loops put a smile on just about anyones face.All of these vocal loops are 'acidized' acid loops so that they sync with the beat. As far as I know these are the only collections of laughter loops that will sync to the beat in a song. Additionally there some one shots as well for beat programming or just to insert a single giggle or burst of laughter into a track. There are 793 vocal loops in 17 folders. There are 442 MB in this 24 bit version. This collection contains the following products: To order the loops on disc as 16 or 24 bit files or to hear lots of samples for each disc please visit: playinmusic.com HV1 A 24 Hilarious 1.rar HV1 B 24 Hilarious 1.rar HV1 C 24 Hilarious 1.rar HV1 D 24 Hilarious 1.rar HV1 E 24 Hilarious 1.rar HV1 F 24 Hilarious 1.rar
