a lush wall of electric bliss pop, mastered by robin guthrie 5 MP3 Songs ELECTRONIC: Pop Crossover, POP: with Electronic Production Details: broaddaylight is pleased to announce that our 30 min debut ep "the bell jar" is now available The cd came out beautifully, cover and disc photograph by edgar degas (and artwork by sarah),mastered by Robin Guthrie, and of course performed by james eakins, henry bennett, sarah eakins and jenn smith. The "bell jar ep" is everything we wished it would be. Also in broaddaylight land we are preparing to start recording our full length album, and have also tried out a new bassist and hopefully we will be able to announce a new addition to our line up soon. And last but not least we have a cover of Ready The Jet's "Normandie" that will be available shortly (hopefully by next weekend) on our myspace page. myspace.com/broaddaylight we would like to thank everyone that has emailed us, come to our shows and waited patiently while we slowly but surely prepared this cd for release. we cant wait for all of you to get a copy and hear it in uncompressed cd quality. thanks so much again, james, henry, and sarah _____
