

Mp3 Cara De Pau - Brozillion

[DOWNLOAD HERE](#)

MPB meets R&B and tours the world on an uptempo pop/folk cruise. 9 MP3 Songs WORLD: Samba, FOLK: Folk Pop Details: Cara De Pau. The wise guy, the trickster, he will play you from all sides and all levels. Best to be prepared because just when you think youve got it figured out there will be an unexpected turn ahead. Swim in an enchanted ocean to a beach party on a sandbar, its fun but you might sweat a little too. This is an ancient craft, sometimes the greatest surprise is found in the most fundamental element. Cara De Pau is the music of Dan Reddan. A native of Rio de Janeiro, Brasil, then raised on several different continents he acquired a first hand knowledge of many styles of music via the radio. Its all just pop music to him. He says: Cara De Pau is my musical Holodeck, a place where I am free to create and participate in scenarios unencumbered by the real world. The songs are free to find their own culture and identity. Its not about fusion, this is roots music for the poly-cultural. BroZillion is the third CD from Cara De Pau. Pop songs with melodies youll be humming tomorrow ride on a current of Brazilian and Latin rhythms to get your booty in on it too. While it may sound like Tropicalia this is Cara De Pau so you know there will be more than a few surprises. Along the way you get to check out the amazing feats of all these exotic creatures: from The HORNHEADS (Of course you can buy their CDs here!), Michael B. Nelson, Kathy Jensen, Dave Jensen, and Kenni Holmen, Jazz piano ace Mary Louise Knutson (Yup), Jason Kona Lund on percussion, plus Vocalists, Mankwe Ndosi, Carin Vagle, Dana Hull, Jon Ewaldt and Tom Nilen.
