Uplifting contemporary spiritual music with a touch of traditional gospel. 15 MP3 Songs GOSPEL: Contemporary Gospel, GOSPEL: Traditional Gospel Details: Positive Mind Entertainment (PME) is heading up a new era in modern Gospel. Founded in 2001 on principles that embrace positive spirituality, PME seeks to spread its mission of Keeping a Positive Mind in a Negative Situation PME has a stable of artists who all share in PME's vision to produce music that celebrates our past while embracing the evolution of Gospel. They are anointed with the Holy Spirit and seek to deliver music that has a touch of tradition along with familiarity and praise. PME is a movement for change, for peace, for enlightenment of the Word and the goodness of God. The company creed is not to place an emphasis on religious practices, but on the power of spirituality and all that it possesses for those who believe. Not only will PME prove to exemplify positive praise and worship, but it will also attempt to bring all God's children into agreement for corporate praise that transcends all boundaries.
