Details: An amazing resume! At a surprisingly young age, Catherine Rodriguez has already accumulated an impressive portfolio of successes, including television and radio performances for Walt Disney World Productions, Nickelodeon and the Discovery Health Channel, to name just a few, with additional credentials that include considerable work in commercials for a variety of companies. The range of her skills actor, singer, songwriter, dancer make her a tremendously flexible talent for any production requiring a high degree of professionalism, ability, poise and energy. Hailing originally from Quebec, Canada, Catherine Rodriguez was born on May 22, 1994, moving to Florida when she was seven. Her performing career began shortly thereafter, as did intensive and continuing training in a broad range of the fine arts, including ballet, jazz, ballroom dance, tap, gymnastics, voice enhancement and actors workshops. Catherine's multi-national background gives her tight English and Spanish skills, as well as an increasing French language competence (courtesy of her French-Canadian early childhood). Not one to wait for success to find her passion, Catherine Rodriguez has nearly completed her first professionally assembled and produced album of 13 songs, written and arranged by Melodie Joy and Catherine, samples of which may be heard at this website. In addition to this music, Catherine also performed at Radio Disney, where she was a member of the elite Radio Disney Dancers. Catherine Rodriguez presently lives in Central Florida and continues to advance and hone her many artistic, performance and athletic skills. Catherine enjoys the full support of a close, loving family, and is available for travel and on-location work.
