So Long is an earthy, acoustic exploration of liturgy, life, love, and longing. 10 MP3 Songs GOSPEL: Country Gospel, COUNTRY: Country Folk Details: When Cathy set out to record So Long, the vision was to express in words (that were not always easy to come by), her searches and musings and longings on this never-boring walk of L-I-F-E...as well as attempt to verbalize faith in and adoration of the One who gives to us the meaning of it all. Cathy's hope is that listeners will enjoy the music and be encouraged...mainly because they hear a bit of their own story in the words and can therefore gain a little more hope in this huge yet intimate God of the universe About Cathy....
