Folk blues rock 9 MP3 Songs FOLK: Folk Blues, FOLK: Modern Folk Details: Always writing poetry from a young age, it wasn't until Dan heard Bob Dylan for the first time that he realised that his poetry and an acoustic guitar needed to join forces. Using an open hearted approach to song writing, Dan takes the listener on a sometimes heart wrenching journey into his own private world of the highs and lows of love and loss. His music shows a man who is willing to wear his heart on his sleeve for the greater good of his music. Influenced by Bob Dylan, Jeff Buckley, Nick Drake and Jeff Martin to name a few, he has created his own unique style, reminiscent of the singer/songwriters of the 60s and 70s. Along with a full band, takes this CD from 60's Folk to new age Folk Rock.
