Afterwe performed a successful series of gigs together, entitled "Jazz Edge on Saturday", the recording of a CD seemed to be the logical next step for us. I was amazed by the excellent interpretation of my music in exactly the way I imagined it to be played by Ull an Thomas.Itadded to the big pleasure of this recording session. My deepappreciation goes to these two great musicians and true friends in Stuttgart. I sincerely hopewe will enjoy many more performances together. "El sol sale" a sunrise can inspire many things. When watching the sun rise, one is reminded of the daily renewal of hope for better times. New possible paths to follow may come to mind, which can help us understand and enjoy the true meaning of life, without forgetting where we come from and who we are. There will always be some difficult moments in life or new things to learn, but there will also always be special moments when the sun is shining on us. Remembering this can enlighten our souls, our people, our countries and our futures. It's about time! Thank you for listening. Daniel Messina The Sun Is Rising - a most appropriate title for Daniel Messinas latest production. An exceptionally positive and relaxed mood was created on this recording of 11 delightfully melodious Messina compositions. Messina once again proves himself to be not only a very accomplished drummer and percussionist, but also an imaginative composer and arranger. The mutual compatibility of the trio, completed by Ull Mck and Thomas Rotter, is strongly in evidence and Daniel Messinas music is performed with taste and great sensitivity. His melodies are most appealing to the ear and really touch the soul and his drumming is precise and controlled. This is a CD with 76 minutes of music which invites repeated listening. Barbara Dennerlein _____ EL SOL SALE

(German Text) die Sonne geht auf - ein treffender Titel für Daniel Messinas neueste Produktion. Ist es ihm gelungen mit 11 sehr melodischen Eigenkompositionen genau diese positive und entspannte Stimmung auf CD zu bannen. Wieder einmal zeigt er sich als einflussreicher Schlagzeuger und auch als einfallsreicher Komponist und Arrangeur. Die im Trio mit Ull Mck und Thomas Rotter eingespielten Titel sind aus einem Gu und man spürt das intensive Zusammenspiel der Musiker, die sich zuerst sensibel und geschmackvoll in Daniel Messinas Musik einbringen. Seine Melodien schmeicheln dem Ohr und berühren die Seele, sein Schlagzeugspiel ist präzise und auf den Punkt. Alles in allem eine CD mit 76 Minuten Musik, die man am liebsten gleich nochmal hören möchte. Barbara Dennerlein
