Now "Franky" has grown over the years, and is known today in the industry as "Mr. D.B." Franky A.K.A "Mr. D.B." after a few years of hard work has now released his second Album entitled "Different Man" This album is more biographical and focuses on the life experiences and changes, and the transition from Franky to Mr. D.B. Unlike the Metamorphosis album where there was a mixture of different styles, the different man album is entirely urban material and in a way defines Mr. D.B. as an individual artist. Because Mr. D.B. has been doing so much work over the years, on release the album will be available worldwide, from Australia and France to the UK and Japan and back up to the United States and Canada. It will be an exciting year with tours already planned, and fans already asking for copies of the album. In all honesty, the album is a "must get" copy and very entertaining, from up tempo to lovers rock. Watch out world here comes a "Different Man"
