Living in Baghdad, IRAQ before, inspired me to compose this Rich, smooth, relaxing music mixed with oriental flavor which brings back memories and romantic moments. 16 MP3 Songs EASY LISTENING: Mood Music, NEW AGE: Meditation Details: Hi, I'm a Piano player, composer, Arranger and game inventor, I love music and chess the most of my life that's why I am a full time musician and invented my own six players chess game "Chesk" chessvariants.com/index/external.php?itemid=ChesK Back to my music, during my life in baghdad-Iraq I've witnessed all the dramatic changes and crises happened to this lovely country, it's like a curse of Aladdin's full of gold cave, it's broke my heart and in the same time made me stronger and more optimistic for a new bright future. This all effected my way of composing this album, you might find some sad and tearfull tracks, but the rest are romantic and full of love. I hope you enjoy my music so please write me any comments at: beethoven1969@yahoo.com My homepage: geocities.com/beethoven1969
