dreamy, intimate, americana, Michael Joy's "float" presents soundscapes both dense and subtle to the ear. 11 MP3 Songs POP: Folky Pop, FOLK: Modern Folk Details: Float was recorded in lexington kentucky, 2006, by Duane Lundy at Shangrila Studios, with further production by Justin Phelps in San Francisco. The cd features Scourge Of The Sea a great band from lexington, plus Duane Lundy, and many veteran players from the San Francisco area. Mixed by Justin Phelps at Hyde St Studios, San Francisco, and mastered by veteran engineer John Cuniberti at The Plant in Sausalito, California. Although still primarily possessing a folk pop feel, float moves more widely within the fields of americana, country, folk, pop, and folk rock than the previous river of days. Gathering members from the bands of Jolie Holland, Ryan Adams, and Chuck Prophet, a dreamy, intimate quality permeates the recording.
