A collection of songs with catchy melodies driven by sometimes aggressive and sometimes tender acoustic guitar from this English singer/songwriter. The songs are little snippets and stories, confessions and statements of intent. 10 MP3 Songs FOLK: Angry, FOLK: Modern Folk Details: Mister Christopher is a singer/songwriter based in southern England, writing original guitar based songs with strong focuses on melody, lyrical content and ultimately delivery. Mister Christophers style is a unique blend of a wide range of influences-he has been compared to a the likes of Elliott Smith (for melody, subject matter, songs ranging from dark brooding to melancholic celebration) Bright Eyes (for intensity of performance and again attention to lyrical detail and presence of delivery) Lou Barlow (blending of styles and attention to songwriting process). Building an ever growing collection of songs and ideas, Mister Christopher self released his first CD Secrets from my pocket book in 2005. Secrets was initially only recorded as a kind of sketchbook, intending to keep track of songs and half songs, but due to demand as well as a wish to get his music heard, it was released and distributed for free at gigs. Mister Christopher release his 2nd CD on pocket Book Records (pocketbookrecords a self run independent label), which was recorded on a house boat in rural Suffolk on one windy rainy day and mixed on one sunny day. This album succeeds in capturing the live essence, intensity and presence that people go to Mister Christophers shows to see. It is something new. Strangely it will also most probably fit in your collection of CDs and you will wonder how youve gotten by without it
