A breath of fresh air., creativity meets the norm, delivering messages camouflaged by a hardcore flow. 18 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Hardcore Rap Details: Biko the cognizant, was born in Brooklyn, and raised in Queens, N.Y. Mr. Biko is the last born out of eight kids. Being the last born, young Biko had to defend himself and fight for position amongst the family. This is comparative to the rap game, but if you ask me he will not experience much resistance. Biko has vigorously exposed his talent in various nightclubs, from spots like Da Poetry Lounge in L.A. to NYCs 40 Flavors. Hes known for the erratic body language, and energy that he brings to the stage. This man, as he so often blurts out can not be compared to no other. From his plea for direction from his father , to his more than obvious hate for haters, to his slick approach in schooling the younger generation, Mr. Biko hits the hearts of black and non-black folks, hip hoppers or rock heads, critics, haters, and lovers. Whatever category you fall into doesnt matter at all. Biko will captivate your mind, body, and soul, without doubt! Now, not to boost his ego, but this man is nice. His very unique style sometimes seems unorthodox. Bouncing from baritone to alto and from alto to baritone, he makes love to the beat, and youll react by loving him for it. Call him what you like Biko, Mr. Biko its all good, just know that he is soon to be your favorite rappers favorite rapper. P.S. Someone that recognize talent
