Details: Paul is a singer-songwriter and guitarist from Northwest Indiana. Hes an indie folk artist with songs probing deep into the loves we share. His repertoire includes songs like One Lonely Heart about the gambles we take and dont take in love, Rising and Sinking an upbeat head bopper about finding hope in moving on and A Few Rhyming Words (the title track of his 2004 album) about the fuzzy spaces between love and friendship. Audiences from Indiana to Washington have been delighted by Pauls stories and intricate guitar parts and impressed by his pure voice and emotionality. After independently releasing A Few Rhyming Words Paul spent 2 years in Washington State building a fan base there and working with two bands: Peter, Paul and Floyd (rock) and The Hoolabaloogians (jazz). He also wrote a new set of songs including Sure Love, a rock waltz about faith in love, and Wanderer, a hymn-like meditation on the fragility of existence. He is currently in Chicago working on more material for a new CD to be released in the next year.
