The popular classical pieces of music by Bach, Mozart and other great composers arranged using modern electronics 12 MP3 Songs EASY LISTENING: Mood Music, ELECTRONIC: Virtual Orchestra Details: Recently I had a wonderful dream. It took place at Carnegie Hall during the concert of J.S.Bach. At intermission a strange gentleman came over to me. He introduced himself as J.S.Bach.He said, I know you like my music, but I dont see any teenagers at my concert. Whats the matter? Dont they like my music? Dear maestro, I answered You are the greatest composer in the world and through the centuries. But nowadays young adults are listening to different rhythms and sounds.Hoppefully when they get older, they will learn to appreciate your music as I have. When I woke up from my dream, I had a wonderful idea. Let me see if I can to arrange the popular classical pieces of music by Bach, Mozart and other great composers using modern electronics. So I created this disk in a modern way. Therere 8 hits altogether including Bach, Mozart, Grieg, Beethoven, Shubert, and Boccherini. And 4 pieces of music written by myself. I hope you will enjoy this CD as Ive enjoyed making it.
