A potent mixture of catchy melodies, powerful vocals and thunderous rock. Hook-laden pop songs with a serious backbone. 7 MP3 Songs ROCK: Modern Rock, POP: with Live-band Production Details: Having vigorously kicked off his solo project in 2002, Scott Celani and his band are hitting venues all over the Mid-Atlantic region and East Coast. At a typical show, audience members are treated to Celani's well-crafted, melodic pop songs backed with an edgy, modern rock sound. Throughout his music career, Scott has performed live all over the U.S. and Canada, and his music has been played on over 20 radio stations in North America. Scott has shared the stage with the likes of Our Lady Peace, Jimmy Eat World, Vertical Horizon, Sum 41, Good Charlotte and Eddie Money. For his new album, "Them Apples", Scott has once again teamed up with Toronto record producer Brent Bodrug (Alanis Morissette, Oscar Peterson, Jacksoul, Carlos Morgan). Celani and Bodrug have taken things to the next level with "Them Apples", a potent mixture of catchy melodies and thunderous rock. The album features hook-laden pop songs with a serious backbone. "Them Apples" was released in September 2002 to a crowd of nearly 600 in Buffalo, NY, and it has been receiving rave reviews ever since. Scott is currently touring the Eastern U.S. in support of it.
