Quarter and thinly slice one Apple (green, red or white label, 1968 vintage approx) add one cup Kinks, one teaspoon XTC and a pinch of Nilsson. Combine ingredients in a bowl and smoke. "I love it" Sir Barrington Womble 10 MP3 Songs POP: Beatles-pop, ROCK: 60's Rock Details: Sitcom Neighbor We could endlessly bore you with statistics of things we've done or have not done with music. Some of it is mildly impressive for about 5 seconds so there you are. This is music made from cellophane and toilet paper rolls. We might offend you with a lyric or two but rest assured we are writing about ourselves. Well maybe it's about you. john MURPHY - Guitar, Drums, Keys, Bass, Trombone, Cello, Vocals, Songs pat MITCHELL - Bass, Keys, Vocals, and Other Songs plus AN ASSORTMENT OF HELPFUL MUSICIANS Sitcom Neighbor review in the LA Music Scene Tongue firmly planted in cheek, this awesome pop 4-piece took us on a comedic tour of the heroes and villains of mainstream media - wittily poking fun at everyone including themselves. Great lyrics and stellar musicianship with plenty of sarcastic humor thrown in for good measure. These guys are great fun to watch!!! Cyhndi Mora Well Neighbors... It was well worth the wait. Love the CD. Great job on everything. I was grinning ear to ear through the entire record. Cool songs, cool sounds, cool cover. Nice work. Todd Bowie Not only is Test Case the best song on the disc, but it's also one of the best songs I've ever heard! No kidding--it's one of my favorite songs of all time. It feels like a river of marmalade flowing through the underpants of my consciousness. Viv Savage "The constitution is just a goddamn piece of paper" George W. Bush Nov. 2005 Capital Hill Blue
