

Mp3 The Clients - Straycat

[DOWNLOAD HERE](#)

The Clients debut album takes you from Woodstock to the spanish riviera and back to the deep forests of Sweden in an hour. 13 MP3 Songs ROCK: 60's Rock, BLUES: Rhythm Blues Details: The band started out two years ago in Malm, Sweden. This winter they got the opportunity to record a full-length cd. The Clients asked some of their friends to play on the cd and some of them has joined for gigs. The Clients and some friends to the band live together in a big apartment where most of the songs were born.
